The Faculties, for intellectual abilities, moral worth and professional acquirements, will compare favorably with the most distinguished in our country. The medical faculty constitutes an anomaly in this or any other country-all of them are able lecturers and the best of teachers. Those who will contemplate our geographical position, and the extent of our population, can have no doubt as to the eli-

gibility of our situation for an enterprise of the kind. As to health, including all seasons of the year, we deny that ANY OTHER CITY HAS MORE. The first class of the Law and Medical Departments of this Institute were small, but the gentlemen composing them are talented and in the highest degree respectable-a favorable men for the future prosperity of the Institute.

That the public may be satisfied of the permanency of this school, we feel it our duty to state, that the Trustees and Faculty form a UNIT in action, which augurs well for its fu-

WEATHER and Fire-Proof Patent Paint.—I here-by give notice to the public, that I have been appoint-ed Agent for the sale of this extraordinary substance. It is a Mineral Paint, which, when applied to a Building, and exposed to the action of the atmosphere, forms a coat of slate or stone, rendering the Building perfectly fire and weath- although there is quite a number of candidates in the field, er proof. The attention of Distillers, Mill Owners, Railroad ompanies, Steamboat Proprietors, and Planters, is particularly called to this substance. It adheres with the utmost tenacity, to the substance to which it is applied, never cleans off, and once applied, it is applied for ever. It is much preferable to tin or zinc, for covering roofs, makes them perfecty water tight. When applied to brick or stone buildings, it excludes the dampness of the external atmosphere, making such buildings more healthy. For a more particular explanation of its Chemical properties, see Circulars. 100 lbs. will cover 1000 superficial feet. Wholesale price, 4 cents per lb., retail 5 cents; this is about half the price of White Lead.—Any person wishing a circular, can have it mailed to them. Address me, post paid. WM. A. GWYER,

To the Independent Voters of New Hanover County :

FELLOW-CITIZENS-In accordance with the wishes of a number of my friends, I beg leave to offer myself as a candidate for the office of Sheriff. Should you honor me with your suffrages, I pledge myself to discharge its duties with fidelity

G. J. MOORE.

New Hanover county, Feb'y 22, 1850

Fellow. Citizen: of New-Hanover County ! Gentlemen-At the approaching August election, it is your province to select an officer to act in the capacity of Sheriff. This is an early period, as I conceive, to agitate this election, and more expected. The county is notified that a Convention will be held during the term of our next County Court, Sheriffalty before that convention goes into session, says to that Convention, that they will not abide its action; I conceive that it is soon enough to aver what we will do when we see what action that body takes of the different offices of the county. I am, perhaps, as anxious to be possessed of the Sheriff's office as any candidate announced, but think it unadvisable to make the announcement at the present. If I should think it advisable to announce myself to you after the meeting of the Convention, and the result of the election should go in my favor, my motto shall be, to do justice to the office and to the people, and will ever feel grateful for the confidence reposed, and willing to reciprocate the favor as far

as may be honorable. I conceive it incumbent on every voter, before the election; to obtain information from reliable authority, who of the candidates is most deserving and capable and best qualified, in every respect, to take charge of the office. These are enquiries, as I conceive, that every voter should make, before going to the polls of election, and then let his influence and suffrage be governed accordingly.

Gentlemen, I conceive it unnecessary to say more to you; there is nothing that I could say, as I know of, that would inther I am tiranical and oppressive, or lenient and accommodating in business transactions. That portion of the electors gallons. Some superior Needles, manufactured expressly for that may not be acquainted with me, or know but little as bout me, I would respectfully request that they would call on my friends in Wilmington, and on gentlemen from my own district of the county.

Very respectfully, your fellow-citizen, JAMES HARRELL. May 9th, 1850.

WILMINGTON, N. C., MAY 8, 1850. To the Voters of New-Hanover County : GENTLEMEN-Through the solicitations of a number of my riends, I again appear before you as a candidate for the office to make a few remarks relative to the position I now occupy before you. Some time ago, I told a number of my friends

and unerring Providence. I believe by my making those declarations, it induced a majority, if not all of those whose names are before you to become candidates for the office. In appearing before you again as a candidate, I have no pledges to make, only that I will endeavor to discharge the duties of the office to the best of my abilities, should a major-

that I would not again be a candidate for the office. But

since making those declarations, I have been placed in differ-

ent circumstances, through the interposition of an all-wise

> Direct Evidence. Dr. J. C. Ayer, Lowell-Dear Sir: Feeling under obligations to you for the restoration of my health, I send you a re port of my case, which you are at liberty to publish for the benefit of others. Last autumn I took a bad cold, accompanied by a severe cough, and made use of many medicines without obtaining relief. I was obliged to give up business, frequently raised blood, and could get no sleep at night. A friend gave me a bottle of your CHERRY PECTORAL, the tise of which I immediately commenced, according to directions. I have just purchased the fifth bottle, and am nearly recovered. I now sleep well, my cough has ceased, and all by the use of your valuable medicine.
